

GREENE COUNTY SHERIFF'S OFFICE

PROBABLE CAUSE STATEMENT

Date: 06/16/2015 Case #: GCS150614003540 - PC STATEMENT AMENDED TO CORRECT TYPOGRAPHICAL ERRORS

I, STANLEY D HANCOCK, knowing that false statements on this form are punishable by law state as follows:

1. I have probable cause to believe that NICHOLAS P. GODEJOHN, White/Male, DOB 05/20/1989 and GYPSY R. BLANCHARDE, White/Female, DOB: 7/27/1991 (aka 7/27/1995, 7/28/1992), committed one or more criminal offenses.

2. The following crime(s) happened on 2015/06/09 13:14 - 2015/06/14 13:14 at 2103 W VOLUNTEER WY, SPRINGFIELD in Greene County, Missouri.

3. The facts supporting this belief are as follows:

On June 14, 2015, the Greene County Sheriff's Office was called to 2103 W. Volunteer Way, Springfield, Missouri, a location in Greene County, Missouri, to check the well being of the residents, Claudinne Blancharde, DOB: 05/03/1967 and her daughter, Gypsy Blancharde, DOB: 07/27/1995. A friend called 911 because of threatening messages on Claudinne's Facebook page which read, "That Bitch is dead!" and another post stating "I fucken SLASHED THAT FAT PIG AND RAPED HER SWEET INNOCENT DAUGHTER...HER SCREAM WAS SOOOO FUCKEN LOUD LOL." The Facebook postings were being sent from Claudinne's own account and they had been sent on June 14, 2015.

During a search of the residence, under the authority of a search warrant, Claudinne was located face down on her bed with multiple stab wounds to her back area. She further had a gaping laceration to the back of her neck. Gypsy Blancharde was not located at the residence though the only vehicle known to be used by Claudinne and Gypsy was at the residence.

The Facebook postings were determined to have been sent from a location registered to Nicholas Godejohn, DOB: 05/20/1989, from an address of W228 S8755 Cherry St., Big Bend, Wisconsin. Contact was made with the Waukesha County Sheriff's Office and their Deputies responded to the location. Waukesha County Deputies located Gypsy Blancharde and Nicholas Godejohn and after a brief standoff they were detained.

On June 16, 2015, contact was made with Nicholas at the Waukesha County Sheriff's Office and advised he was advised of the reason for contacting him. Post Miranda warning Nicholas admitted coming to Springfield, Missouri to see Gypsy. He asked her at one point if she was sure she wanted him to kill Claudinne and Gypsy said yes. He admitted he stabbed Claudinne several times in the back while he was on top of her holding her down. He stated it was at night when he went in to stab Claudinne and she was lying down and believed to be asleep. Nicholas stated he thought about raping Claudinne however he did not do it.

The knife he used was given to him by Gypsy. He stated he would not have killed anyone unless Gypsy had asked him to, and this is why he killed Clauddinnea. He mailed the knife to his home address so he would not get caught with it. Nicholas said he went to the bathroom where Gypsy was hiding at to let her know he had cut his finger with the knife while he was stabbing her mother. They both began cleaning up the blood in the hallway. They took several thousand dollars from a safe from inside Clauddinnea's bedroom. Nicholas stated he knew what he had done was wrong, but he did it for Gypsy because she asked him to.

On June 15, 2015, I made contact with Gypsy at the Waukesha County Sheriff's Office and advised her of the reason for me contacting her. I read Gypsy her Miranda warning, and she agreed to speak to me. Post Miranda warning she admitted to being at the residence when her boyfriend, Nicholas Godejohn, had stabbed her mother. She admitted to knowing her boyfriend was going to stab her mother, and she did nothing to stop it nor did she report it to the authorities. Gypsy admitted she was in the house when her mother was being stabbed, and she could hear her screaming. Gypsy admitted to posting on Facebook the comment, "that bitch is dead." She posted this because she wanted her mother found quicker by law enforcement. She tried to clean up Nicholas' blood by using baby wipes. After she cleaned up some of the blood she called a Yellow Cab to come and pick her and Nicholas up, and she left the residence in the cab with Nicholas.
